Mentorship Process Overview

1. Mentor Committees: For each role, there will be a Mentor Committee consisting of all mentors for that role. The Mentor Committee will write goals for the role which will be approved by the Board:

Role	**Mentor Committee Chairs**	**Mentor Committee Members**
Officers	Sam/Zach	Ashlee Carly Vikram
Other Global Leadership (Directors/ Managers)	Katie/Aveena	Aveena Brayden Ian Sanvi
Chapter Presidents	*Katie/Ian*	*Senior Directors and Managers from the global team* (see award chart)
Instructors	Brayden/Chapter Presidents for that Chapter	Lead Instructors from that Chapter *(see award chart)*

2. Mentor-Mentee Pairing: When a new leadership member, CP, or Instructor joins the team, Katie and the Mentor Committee Chair assign them to a mentor. Each mentor should only have 2-3 mentees. The mentor and mentee have a 1-1 Kickoff meeting with their mentor to discuss the goals for their role and how to get started. The mentor continues to serve as a resource.
3. Monthly Self-Reflection: Each month, the member submits a Self-Reflection Form on the YPP Portal **(see questions below)**. The mentor reviews the responses and schedules a 1-1 monthly check-in with the mentee. During the check-in meeting, the mentor and mentee discuss progress on each goal and any recommendations/plans for the upcoming month, as well as the mentee's general happiness within YPP and how the mentor can help.

4. Monthly Goal Reviews: Following the meeting, the mentor types up their comments into a Monthly Goal Review **(see questions below)** which is submitted on the YPP Portal. Once the Goal Review is approved by the Mentor Committee Chair, it is submitted to the mentee. These Goal Reviews are used to decide awards and promotion (see below).
5. Quarterly Committee Reviews: Every three months, in addition to the normal process in #1-4, the Mentor gathers feedback/input from everyone the mentee worked with (such as parents, students, school officials, leadership) and following this, the entire Mentor Committee discusses the past three Goal Reviews, to add additional views and make Pathway Decisions (how they see the mentee's future path in YPP), which include [as appropriate] promotions, awards, role changes, or performance improvement/termination.
6. Awards and Promotions: After discussion by the Mentor Committee, Pathway Decisions (including awards and promotions) are approved by Katie/the Chief of Staff and for global leadership, by the Board.

Award Process Overview:

1. Based on the "Overall Progress" bar in the goal review, the mentor gives the mentee Achievement Points towards YPP Achievement Awards (point numbers are reviewed/calibrated by the Mentor Committee Chair to ensure uniformity and fairness). The following are Achievement Point earning guidelines:

Role	Behind Schedule (Red)	Getting Started (Yellow)	Achieved (Green)	Above & Beyond (Purple)
Instructor	0	10	35	75
Chapter President	0	20	50	85
Global Leadership	0	25	60	100

Additional points can be earned for Character & Culture (being a strong community member, helping others, coming to events, serving as an interviewer or mentor where that is not already a part of the role, teaching a class for CPs and leadership, etc.)

2. Once a mentee reaches the number of points necessary to earn an award, their Mentor endorses them to receive that award and the Mentor Committee Chair approves the decision. For Gold and Lifetime, Board approval is also needed. **(see draft of award benefits at the end of this doc)**

POINTS REQUIRED	175	350	700 (+Board Approval)	1,800 (+Board Approval)
